In a superb sea-front location officially recognised each year with 2 prestigious EU-Blue Flags, the Sani Resort is set on 7Km of immaculate white sandy beaches with warm shallow crystal clear waters. The Sani Resort, just a 45 minute drive from Thessaloniki airport, is situated on the western-most peninsula of Halikidiki, with spectacular views across the warm Aegean Seas to historic Mount Olympus.

The resort is a self contained 100 acre private estate with ecological reserves, a state-of-the-art yacht marina, a shopping plaza bustling with celebrated restaurants, vivid bars and a roaring cafe culture and a host of boutique style shops. Sani Resort also provides the ultimate in sports and leisure facilities for adults and children alike and with two new extraordinary Spa venues to help you unwind after a fun filled day, we believe that Sani Resort is a perfect holiday choice.

Hotel : Sani Beach Resort

We have selected the Sani Beach Hotel from the Sani Resort portfolio for our discerning clientele. Fully refurbished in 2007 with over 90 brand new ultra contemporary junior and standard suites the hotel provides comfort and a variety of choices and activities to suit everyone. With 6 green clay courts of the highest standard; a wide range of water sports on offer including yacht hire; a sea world scuba diving centre; fitness studios and entertainment programmes for the kids we are sure you won't be short of things to do.

Our guests will benefit from the all-inclusive meal plan. Breakfast and lunch is a full buffet service, and dinner can be taken within the hotel at one of the two main restaurants with either buffet or a la carte options. There is also a 'dine-around' programme that allows our guests to dine in some different restaurants around the resort. Drinks including water, soft drinks, beer and bottled wines are served at lunch & dinner and snacks and soft drinks & cocktails are available throughout the day too.
